- **Free Plug-in**
- **No Need To Stop The Machine Tool**
- **Share in Multiple Machine**

**01 No Need To Stop
The Machine Tool**

**02 Plug-In Free
(Pneumatic)**

**03 Easy To Move
Multiple machine sharing**

Buffer Design

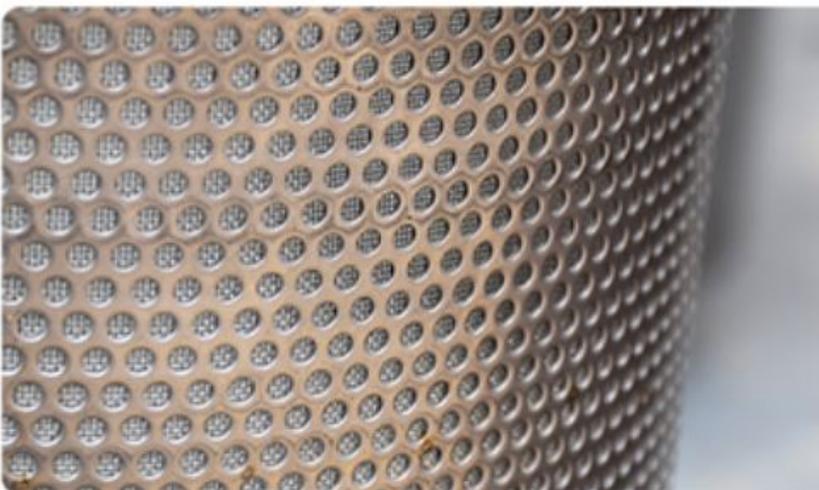

Reduce outlet pipe vibration

04

Patent Pressure Relief Device

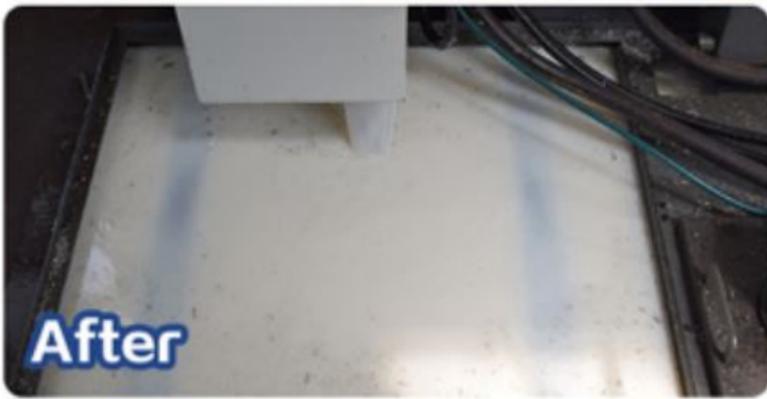

Automatic pressure relief after
over-pressure

05

Switch and Meter are Set in Front
Easy to operate

06

07 **Large Filter Drum Capacity**

The drum is made of 304 stainless steel, rustproof and durable

08 **Wider Application Scope**

Can clean all kinds of metals, non-metals, sludge, etc.

09 **Large Processing Flow**

100L/minutes water absorption, quick cleaning
